The Ontario Under-17 Program Policy Committee is pleased to announce the appointment of **Matt Rabideau** as Director of Operations for Ontario's Under-16 Canada Winter Games Team.

"There were many outstanding candidates from which to choose from," noted Ted B Baker Chairman of the Under 17 Policy Committee. "The committee is very pleased with their selection and is confident that the appointment of Mr. Rabideau will provide a foundation of leadership and excellence for Team Ontario to build upon as they move towards competing at the 2011 Canada Winter Games."

"It is with great pride and enthusiasm that I accept the role of Director of Operations for Ontario's Under-16 Team. I am honoured to be a part of the Program of Excellence and I look forward to the challenge of identifying and evaluating Ontario's high performance hockey players at this age classification. We will begin the process of identifying our athletes with regional under-16 camps that will be held throughout the Province during April and May 2010. We will conclude the identification process with a tournament that will be held in Kitchener, Ontario in August 2010. The tournament format will have representation from each of the following organizations: GTHL, OMHA, NOHA, ODMHA, HNO and ALLIANCE HOCKEY. Our ultimate goal is to name a team that will represent Ontario and win a gold medal at the 2011 Canada Winter Games being held in Halifax, Nova Scotia beginning February 11, 2011," stated Rabideau.

Mr. Rabideau is currently the **Manager of Hockey Education Services** for the Ontario Hockey League.
